Summary

Highly motivated, I enjoy learning new things,apply them effectively.I can collaborate effectively and manage time,ensuring deadlines are met consistently.

Education

Aditya College of Engineering and Technology, Surampalem   **2023 – Present (Currently in 3rd Year)**
B.Tech in Information Technology   *CGPA: 8.68 / 10*
Sri Chaitanya Junior College (Indra Towers), P.M. Palem   **2021 – 2023**
Intermediate (MPC)   *Percentage: 93.3%*

Work Experience

TechnicalHub, Aditya College of Engineering and Technology   **May 2025 – June 2025**
FSD with ReactNative Intern   *Surampalem*

- Developed responsive web pages using **HTML**, **CSS**, and **JavaScript**.
- Implemented interactive UI components and ensured cross-browser compatibility.
- Collaborated with a team to design and enhance the user interface of a web project.
- Gained hands-on experience in frontend development and UI/UX best practices.
- **Certificate:** View Internship Certificate

Projects

FlowerShop Website: A responsive website built with HTML, CSS, and JavaScript   GitHub Repository

- Designed and developed a fully responsive flower shop website with a modern UI/UX layout using **HTML**, **CSS**, and **JavaScript**.
- Deployed the website using **GitHub Pages** for public access: Live Demo.
- Showcases product catalog, contact form, and mobile-friendly design.
- Utilized Git for version control and followed good development practices.

UniLink Website: A university networking platform built using HTML, CSS, and JavaScript   Live Demo

- Designed and developed a responsive university networking platform to foster student collaboration and engagement.
- Implemented core sections such as **Dashboard**, **IdeaHub**, **Campus Connect**, **Hackathons**, and **CampusX** using **HTML**, **CSS**, and **JavaScript**.
- Integrated an interactive **puzzle game** to encourage user participation and add an element of fun.
- Collaborated with a team of 6 members, utilizing Git for version control and adhering to clean coding practices.
- Deployed the website using **Netlify** for seamless public access: Live Demo.

Technical Skills

Languages: C,Python, Java,
Web Development: HTML, CSS, JavaScript,Bootstrap
Relevent Coursework: Data Structures ,Operating System
Areas of Interest: Web Development

Achievements

LeetCode – Solved 100+ coding problems
CodeChef – Solved 850+ coding problems
Aditya College Maya Portal – Solved 500+ coding problems
HackerRank – Achieved 5-star in C, 3-star in SQL, 3-star in JavaScript, and 2-star in Python

Certifications

Oracle Academy – Certified in Java Programming
Cisco – Certified in Operating Systems
Certiport (Pearson) – Certified in HTML and CSS
Cisco – Certified in Python Programming
Cisco Networking Academy – Certified in Ethical Hacking
